Lincoln McDunn, the five year old son of Mr. and Mrs. A. L. McDunn, fell off a burro, which he was riding on Thursday evening, and broke his arm just above the elbow. While it has been quite painful he is getting along very nicely now.

Lasky's stock of fall goods has commenced to arrive and he expects his complete stock in by next week.

Mrs. Lasky has made a purchase of a large stock in anticipation of a good fall trade, and he purchased the latest and best in the market.

The open season for deer will commence this September 15. F. G. McCoy, Dr. Fitzmaurice, Geo. Atchison and probably one or two others will leave here on the morning of September 15, for Winslow from where they will go south about seventy five miles on a hunting expedition.

J. F. Dazgs was today arrested on complaint of David Garcia, a sheep man of Jerome, on a charge of stealing sheep. He was arrested in Prescott and released on his own recognizance. The hearing will take place before Justice St. James in Jerome some time next week.

Work is progressing as rapidly as possible at the Tempe bridge, but it will be several months before the new steel bridge is in place. The new structure will total the same length practically as the present one, but there will be more trestle work and less length of bridge or span. At present the force employed is placing false work under the south span, taping down the span, and preparing to drive piles for the trestle at that end. The steel spans will be longer than the present wooden ones and probably one less in number.—Republian.

The Journal-Miner is informed that quite a number of people have complained that their stock is placed in the city pound by the colored pound master contrary to law when there is no excuse for the action other than to extort the pound fee from them.

The fact that he was found guilty of just such an offense yesterday and fined \$25 for the same, may have the desired effect of stopping this kind of business. If not then some other measures should be adopted to that end.

Charles E. Eagan, son of General Charles F. Eagan, formerly commissary general of the army is visiting Prescott. Mr. Eagan was born at Whipple during the time his father was stationed there as chief commissary of the military department of Arizona. Mr. Eagan has taken a lease from Mr. Clifford on the entire Peck mine above the 250 foot level, and will work on the Chloride system while superintendent Beall is sinking the new working shaft.

F. R. Stewart has purchased the lot adjoining the residence of M. B. Hazeltine on the south and will erect a handsome residence on it at once, and will be the nearest shipping point to the dam from this end of the line. He already has the rates to Globe, and can estimate the cost of transport from there on. With figures from the other road obtained, he can make an intelligent comparison, which will be presented to the people here. Then whatever action the people here desire must be taken.

"After his trip to the dam, on leaving here, after his return from Prescott, Mr. Davis will go east, for a conference with his chiefs."

C. C. Glass, who was appointed by the city council as superintendent of the water and sewer systems of Prescott, and who entered upon his duties in that capacity September 1st, is proving to be the right man in a very important place. He is not only capable, but he is a man of high character, and his work has been of the highest quality. He has been in the city for some time, and has been very successful in his work. He has been very successful in his work. He has been very successful in his work.

Deputy Sheriff Frank Nevins, of Jerome, came over Sunday night in charge of Pedro Lopez, who was bound over in the sum of \$5000 on a charge of rape, and Francisco Acosta, who was placed in jail under an \$8000 sentence for robbery.
